This is . . .

The Best in 1964

The 1964 school year at Manchester High has been our best and busiest. It's been the busiest year for meeting the new challenges of our education, organizations, activities, and sports and it's been our best for expanding our knowledge and leadership.

This ... being our best, has many interesting things in store. It's full of modern ideas in teaching and learning, but most of all it's full of all our most cherished memories. These memories bring back the thoughts of the tension at basketball games that showed our school spirit, those long winter nights of hard study for exams the next day, the fun we had at the school dances and the pleasures of growing friendships. Memories like these reach into the past and recall our "best" days at Manchester High.

1964 is not only the best of Manchester High, but it's the best of an expanding world. It's the year of our Presidential Election, the year of continued space exploration. We can't forget our visitors from Britain, the "Bettles," and of course, the Elephant Jokes.

We, as students, of Manchester High, are proud to be a part of this ... The "Best" of 1964.

A Victorious Game Gave

The 3rd annual homecoming of Manchester High School, one of the most important events of the year, was successful in every way. The parade got the evening off to a good start. The junior class float and the mixed chorus float were the winning floats. At the half of the game with Oak Hill, our queen, Angie Smith, a senior, was crowned. After a victorious game for our Squires, a dance was enjoyed by all in the cafetorium.

Queen Angie and her court reigned over the Homecoming dance.

Homecoming a Good Start!

Winner of the class float award; the Junior float with the theme of "A Huntin' We Will Go."

Mixed Chorus' float "Hootenanny," takes honors of the best club float.

The band begins the long "blisterous" parade route.

Squirettes and Drum Major Taylor take lead as the band starts along the parade route.

All eyes on spinning coin at the start of the homecoming game.

Many countries represented on the Senior class float, "Around the World in Eighty Days."

"Rue De Revue" Brings Winter Delight.

Zooming Students Make Zooming Sales.

Nancy Butterbaugh receives her stereo-radio combination for having the top magazine sales record.

The student body set a new record in our 1963-64 magazine campaign. The grand total for the campaign was $9,144.61, approximately $500 better than last year. The seniors led the way in total sales with $3,606.47, setting a new class record. The class was rewarded with a turkey supper. Nancy Butterbaugh, a senior, was high salesman receiving the top prize, a stereo. The campaign had the support of the entire student body, and was enjoyed by everyone participating. The profit gained from this campaign goes to the co-curricular fund.

The Bel-Airs provided the senior's with an interesting evening of entertainment.

The senior's turkey supper was very successful and enjoyed by everyone.

The turkey was delicious, wasn't it girls?

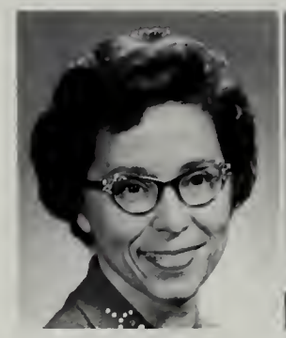
English students learn to use the library.



MRS. MALOA FAUROT: English, Dramatics Club.

MR. ROBERT LEE: English, Drama Club.

Freshman English students work a great deal on improving their reading skill and technique through the aid of various machines. They also are introduced to basic fundamentals of English. During their sophomore year, students study early American literature and have their first experience in writing term papers. The major drama studied is "Our Town." Junior students study a great deal of English literature. The highlight of the year is the study of "Julius Caesar." Juniors also learn basic speech rules. The senior English class studies speech and creative writing. One semester is spent in speech, and the apex of this semester's work is the delivery of and original oration. The other semester is spent in doing research and creative writing.

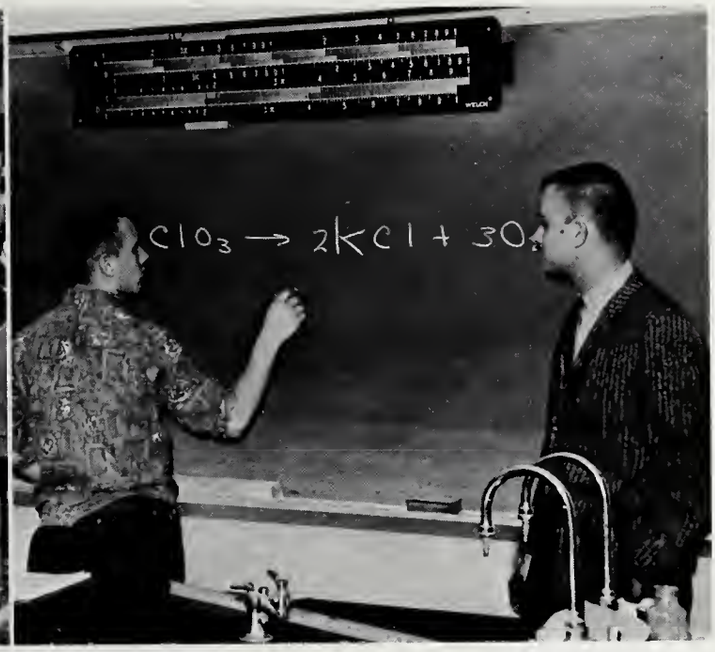
Minds Challenge Our Students

Something new, Mr. Underwood?



You mean it's really balanced?

This is another year of the atomic age; it is full of rockets, missiles and busy minds. The countless hours of tedious thinking and hard work had its beginning in the high schools of today. Manchester High is no exception when it comes to building the scientist of tomorrow.

Manchester High has a variety of science courses to offer, they include: biology, general science, chemistry and physics.

Biology and general science students learn the basic background for further science study, through classroom lectures and lab work, while our chemistry and physics students get a glimpse of the future with advanced study through experiments.

The science department is prepared to meet the challenges of those students who plan to advance their science study.

M.H.S. is proud of its expanding knowledge in the science field and hopes to be training the future leaders with adequate science knowledge.

Manchester High School includes in its curriculum two classes with historical content. World History is offered to the sophomores and includes the study of the development of the civilizations of the world from prehistoric times to the present. The American history class, designated for juniors, is the study of the growth of the United States from the development of the colonies to the present day democracy. Government is a course taken by the seniors in which the different types of governments are studied including communism, fascism, and socialism. American government is studied in detail on the local, state, and national levels. Items emphasized in the course include liberties, freedoms, and duties of every American citizen.

MR. EDWARD K. JONES: U.S. History, Scroll.

Let's Be Practical!

The purpose of the economics course is to make a study of some of the problems in our national economy and also encourage sound economic thinking among students.

Sociology is a course designed to study the history, development, organization and problems encountered by people living together in social groups. This course helps the students to become mature men and women in facing everyday social problems.

Freshman homemaking includes a study of food preparation, kitchen equipment, fabric and clothing style selection, and actual construction of a cotton garment.

Sophomore homemaking stresses good grooming, clothing selection, and construction in wool or silk, a home nursing course, and dietary meal planning.

A junior homemaking student studies family budgeting; care, selection, and construction of synthetics; and a complete home decorating course.

A senior homemaker studies style and quality of household appliances and utensils; family nutrition; and child and social development.

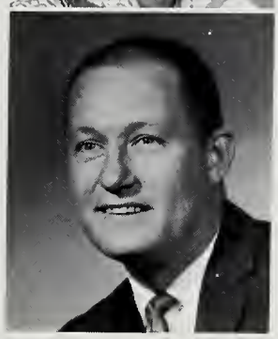
Physical Education

MRS. MAX KESTER,
Physical Education,
Cheerleaders, G.A.A.

Physical education is a required subject for all students in grades 9 and 10. The aims of the P.E. course are: to contribute to the individual's physiological and psychological growth, to stimulate an interest in health, physical activities, and to build sportsmanship.

Advanced P.E. is an elective course offered to juniors and seniors who wish to take it.



MR. PHIL ENYEART,

MRS. SHIRLEY CREE: English, Typing, Speech & Hearing Therapy.

MR. GERALD FAUDREE: Driver's Education, Psychology, Social Problems, Athletic Director.

MR. LEDFORD BENTON: Typing General Business, Athletics.

The driver's education course is intended to provide educational experiences which will serve as a sound basis for a lifetime of safe and efficient driving.

The course consists of six weeks of classroom study and three weeks of driving experience.

Business courses offer many opportunities for students; their main purpose is to prepare students for the business world, so they can accomplish different transactions. Some of our courses offered are shorthand, bookkeeping, accounting, typing, and secretarial practice. Each one of these helps students to be more efficient in creating and working out different business transactions.

MR. JOHN PRICE: Drivers Ed., World History, Athletics.

OFFICE ASSISTANTS: SEATED: Virginia Bumgardner, Cheryl Robins. STANDING: Left to Right: Kadonna Landis, Becky Balsbough, Becky Weitzel, Claudia Speicher, Jill Kreig, Linda Frieden, Sara McIntosh, Brenda Burke, Dianne Hippensteel.

Our guidance counselors, Miss Mansfield and Mr. Flora, guide the direction of our paths to the future. They are always willing to help us with problems of college by setting up test schedules, making known scholarships, and helping seniors fill out applications.

After seeing that all students are taking the proper courses with the required credits for graduation our counselors will help, whenever possible, to solve any personal problems of the students.

MISS LOIS MANSFIELD: Dean of Girls, National Honor Society.

MR. DALE FLORA: Dean of Boys, Orientation, Student Council.

After last year's poor record, our Squires came back this year with a terrific season. We had the best basketball record in the county with 14 wins and 6 losses. As almost every basketball team we had our heart-breaking losses, such as the Oak Hill and South Whitley games. We also had our share of thrilling games such as Warsaw, North Miami, and also Mentone, who received their first home loss in four years to our mighty Squire team. Our season was ended with a loss to the tall and tough Huntington Vickings, but as usual, our team put up a good fight. Congratulations Squires!

1963 was an excellent year for football at Manchester High School. Our Varsity Squire team ended the season with 7 wins and 2 losses which sets a new school record. Beginning with Whites, we had a winning streak of six straight games. Our hopes for a perfect season were ended when we lost to the always tough Warsaw Tigers. We then lost a heartbreaker to Wabash, but ended the season in the winning column with a hard fought victory over Rochester.

Besides basketball, wrestling is one of the winter sports at Manchester High School. We had a very good season this year by winning 7 matches and losing 7. Bennie Bumgardner, a Junior, won the sectional wrestling match in his weight class and was defeated at the regional contest in the finals. From all indications our wrestling team should be even better next year, and we hope that more people will turn out to support our mighty wrestling Squires.

"Remember Manchester High

Troubles with the Blue Bomb again?

Meeting of the clan.

Seniors select commencement announcements.

Blow them out, Alice.

It's an invasion!

Are you and two other girls busy Saturday night?

School and the Class of 1964!''

Lose something?

The ladder to success?

"The paper machine is empty."

Skid Row!

"Lights, Camera, Action!"

Where's the music?

Sanitation, Preparation, Transportation
